

Benefits of Joining The European Train Enthusiasts – Eastern New England Chapter

Sharing your interest in European trains with a bunch of folks who share that interest

Operating and maintaining a large prize-winning modular layout

Accessing the club's large and varied library

Working with people who love to build model trains, build layouts, and run trains

Learning techniques for building a layout or teaching others the skills you have

Experiencing the camaraderie of spending time with fellow hobbyists

Taking excursion train trips with friends

When you join ETE-ENE you will also become a member of the European Train Enthusiasts national organization, of which we are a Chapter. The national organization was founded in February of 1973 with the intention of bringing together all of us who are interested in the railroads of Europe. As a member of ETE, you will receive the quarterly journal *ETE Express*, published by the national organization.

Visit our chapter website at www.ete-ene.org and the national website at www.ete.org

We invite you to join the Eastern New England chapter of European Train Enthusiasts

Our members have a wide diversity of interests in the hobby of European railroading. Some enjoy modeling, some enjoy railroad photography, and others enjoy European railroad travel, collecting, trading, and modular model railroading.

The Eastern New England Chapter was organized and chartered in June 2000. We have approximately sixty members throughout New England and beyond. We usually hold monthly chapter meetings in the homes of members. We also attend a number of model railroad shows with our modular layout.

Meetings typically consist of a business meeting, an educational presentation or demonstration by one of our members or a guest, and a hands-on workshop session. We may view videos or slides of different railroads in Europe, enjoy the operations of a host's European model railroad layout, or hear a guest speaker describe some aspect of European railroading. Most importantly, we have a chance to meet and become acquainted and share information with fellow hobbyists.

To join the Eastern New England Chapter, simply fill out the **Membership Application Form on the reverse side.**

We look forward to welcoming you as a new member of our club!

European Train Enthusiasts - Eastern New England Chapter

To join as a new member of the Eastern New England chapter of the European Train Enthusiasts, fill out this membership application form.

Select one: (1) \$60.00 to receive mailed version of The ETE Express (the quarterly newsletter) or (2) \$45.00 to receive the email version (the quarterly newsletter, the eExpress)

Make your check payable to ETE-ENE and mail with form to Ed Davis, 26 Kennedy Drive, Enfield CT 06082

Gauges: Z, N, HO, O, G, 1, other

Power: AC, DC, DCC, Digital, Live Steam

Countries of particular interest:

ETE publishes a yearly membership directory that includes your name, city, state, phone number, email and a summary of the above interests. We intentionally leave out your street address to protect your privacy and prevent junk mail. We do not distribute this list to anyone outside of ETE. If you wish to be completely excluded from this directory please check the box below.

- Exclude me from the yearly ETE directory Exclude me from 3rd party mail from Railroad related vendors
